**Accredited Trainer of NLP,
Approved Growth Accelerator Coach**

Gemma Bailey is the director of People Building Ltd, a personal and professional development company specialising in NLP training, coaching and products. She is also the director and franchisor for NLP4Kids Ltd and owns a high street therapy and coaching centre.

As a speaker, Gemma has delivered keynote speeches for Lloyds TSB, Microsoft (at the Hippodrome, London) and Avensure to name just a few. She is considered to be one of the best regular speakers for Interesting Talks, London and has delivered her training programmes all over the UK, Kuwait and Malaysia.

Her presentations are direct, informative witty and engaging. She is both extremely knowledgeable in her subject matter, but also able to deliver in a comprehensible format, utilising universal experiences to evoke the interest of audiences at every level of business.

Gemma brings the humanness back into the grey world of business, helping companies and individuals realise their potential by looking beyond their function as employees and unlocking what really makes them tick.

"Excellent - Fantastic rapport and presentation skills. I loved the energy and the humour"
